Responsibility for content

Responsibility for the content of the general WWW pages: International College GmbH

Notes on external links

The authors are not responsible for any contents linked or referred to from their pages - unless they have full knowledge of illegal contents and would be able to prevent the visitors of their site from viewing those pages. We hereby expressly declare that the authors have no influence whatsoever on the design and content of the linked pages. Therefore, the authors hereby expressly distance themselves from all contents of all linked pages that were changed after the link was created.

The provider of these pages alone is liable for any content beyond this and in particular for any damage arising from the use or non-use of information presented in this way, and not the party who merely refers to the respective publication via links.

Notes on copyright protection

The authors endeavour to observe the copyrights of the graphics and texts used in all publications, to use graphics and texts they have created themselves or to use licence-free graphics and texts. Should there nevertheless be an unmarked graphic or text on the respective pages that is protected by third-party copyright, the authors were unable to determine the copyright. In the event of such an unintentional copyright infringement, the authors will remove the relevant object from the publication after notification or mark it with the appropriate copyright.

The copyright for published objects created by the authors themselves remains solely with the authors of the pages. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without the authors' agreement.

Disclaimer

This disclaimer is to be regarded as part of the internet publication which you were referred from. If sections or individual terms of this statement are not legal or correct, the content or validity of the other parts remain uninfluenced by this fact.

The authors do not assume any liability for the topicality, correctness, completeness or quality of the information provided. Liability claims against the authors relating to material or non-material damage caused by the use or non-use of the information provided or by the use of incorrect or incomplete information are excluded as a matter of principle, insofar as there is no demonstrable intentional or grossly negligent fault on the part of the author.

International College GmbH accepts no liability for the completeness and accuracy of the content of the Internet pages.
